Arriving at night, as the crickets sing, is particularly special, and gives the 59,862m² estate the true feeling of a landed country home. How wonderful it is then to wake up the next morning and see the graceful old finca standing proud amid its lush gardens and the verdant vegetation of the valley of Tárkena.

It is located 20 kilometres from the coastal resorts of the northern Costa Blanca, under an hour from Alicante International Airport, but still offers a sense of perfect peace and seclusion. There are eight tastefully decorated suites with lovely, spacious bathrooms and exterior balconies overlooking the courtyard and the 15,000m² of garden. You can also enjoy an extra suite named the wedding suite, which includes a Jacuzzi.

The combined built area covers 2,228m², including a charming hall, bar, several lounges with fireplace (there are six fireplaces in all), a reading room, a small theatre/presentation room, three outdoor BBQ areas and a games room. In addition to peaceful walks within the gardens or in the surrounding countryside, guests can also recline by the pool, where orange trees offer shelter from the midday sun.

Those looking for more active pampering can enjoy the large terrace with solarium, the Finnish sauna, Jacuzzi, the steam bath or the covered heated pool. In addition, there is a gymnasium, a tennis court, a 3-par golf hole for short games and a series of nature spots between palms, lemon trees and other ancient groves.
