Set within one of the most prestigious buildings in Northwest Spain, this exclusive three-bedroom apartment offers the height of urban sophistication coupled with a stunning location within 50 metres of the sea. The landmark residence, which features a modern interpretation of classic local architecture, is set near a bay with a broad beach and the centre of the beautiful and vibrant Spanish city of A Coruña.

Great natural beauty combines with fantastic vistas and a rich culinary and cultural tradition that makes this one of the most enjoyable regions in the country. Citania offers its residents privacy, security and optimal comfort and style in a condominium surrounded by beautifully kept gardens, private parking and a spa with heated indoor pool reserved for owners. The apartment, meanwhile, features villa-style sophistication, the finest materials and the latest technology – including full home automation. The large lounge makes the most of panoramic windows, as do the main bedroom suite with dressing room and en-suite bathrooms, while the modern designer kitchen leads on to a study or nursery with its own bathroom. Modern luxury in the heart of a stylish city.
