RMGV450 - Villa in Valencia, Valencia, Spain

Situated on the open Mediterranean, right on the sandy beach of Playa de la Malvarrosa, a stone's throw from Valencia's lovely new marina area, Casa Boscà is a stunning architecturally designed villa that offers the very best of Mediterranean living. Offered for sale, this modern home can be used either as a luxurious private villa in a privileged seaside location or as a small and select residence hotel that combines the comforts and privacy of a glamorous house with the services of a hotel.

Rimontgó
SINCE 1959

extraordinary life houses

This is the epitome of modern style and glamour, where floor to ceiling windows offer panoramic views across a sumptuous terrace, wooden pool deck, chill-out zone and lush garden to the beach and sea. Inside, the lines are clean, modern and elegant, allowing natural light and fresh sea breezes to flood in whilst offering every conceivable comfort and amenity. Of the five bedroom suites four enjoy panoramic views and private terraces, while the bathrooms, kitchen and living areas reflect the very best in modern taste.

All is orientated both towards the sea and the garden and terrace area, where a stylish al fresco dining area, a magnificent pool with wooden decking and an attractively decorated relaxing area create a private haven of glamour and modern elegance - all within a short distance from one of the trendiest and liveliest parts of Valencia, where sunbathers and sailing boats dominate the horizon by day and colourful restaurants, bars and beach clubs create a buzz at night.
