The house is built on a large plot of 2,000 m²; offering a built surface of 450m² which are divided into four bedrooms, three bathrooms, a roomy kitchen, a spacious living room, laundry area, terraces and a large garage which includes another kitchen and a toilet.

The house enjoys all comforts including air conditioning, heating system and home automation system. Furthermore it fully overcomes the technical maintenance needs of the garden.

One important feature, apart from its generous plot and the great location, it's the exquisite design of the building - being its main focus the light, the straight and pure lines, the combination of the materials and the spaciousness of all rooms.

The property is located in the town of Villarreal, only ten kilometers away from the city of Castellón - well connected with the main cities by public transport and easy road access. The town of Villarreal provides all important main services; welfare, medical, educational, leisure and more.
